If you find my existence helpful, consider funding it:

- Preferably recurrently via Ko-Fi, stable income is the best you can give me
- Directly through Revolut (usually least fees)
- Directly through PayPal (relatively large fees, Ko-Fi above supports PayPal too)
- Recurrently through Patreon (somewhat large fees)

About

This wiki is supposed to document my knowledge and setup so I don't have to look things up twice. Since you stumbled upon it, I hope it helps you!

Keep in mind that the wiki is permanently under construction. Information might be wrong, incomplete, ... I'm not exactly getting paid to keep it up to date.
